# Grant Details

## Eligibility

In order to apply, you must be an individual who identifies as a Black, Indigenous or Immigrant person of color who resides in Lancaster. Projects must benefit residents of Lancaster County. Applicants will be matched with a community benefit organization (CBO) that will serve as their fiscal agent.

## Evaluation Criteria

### Commitment to Racial Equity

Does the program and person demonstrate a commitment to promoting racial equity?

### Challenges

Has the applicant described current challenges regarding equity and inclusion? Is the program intentional with identifying examples of those challenges?

### Vision and Desire

Does the applicant clearly describe their desire and vision with respect to accessibility and racial equity?

### Goals and Results

Does the application clearly articulate the programs desired racial equity goals and results? How will you measure the success of your program?

### Impact

If chosen, how will the program participants be immediately impacted? How will completing this project impact your future work and/or the community long term?
