FUND TERMS & CONDITIONS

If you have any questions, please contact the Lancaster County Community Foundation at (717) 397-1629 or info@lancfound.org.

Tax Status of Funds. Funds established at the Lancaster County Community Foundation (the “Foundation”) are component funds of the Lancaster County Community Foundation, a Section 501(c)(3) public charity. Accordingly, all contributions to the Foundation’s funds are treated for tax purposes as gifts to a Section 501(c)(3) public charity and generally are tax deductible, subject to individual and corporate limitations. The Fund shall be the exclusive property of the Foundation, held by it in its corporate capacity, and shall not be deemed a trust fund held by it in a trustee capacity. The Foundation shall have the ultimate authority and control over all property in the Fund, and the income derived from it, in accordance with the Articles of Incorporation and Bylaws of the Foundation (as they may be amended from time to time), and the terms of the Agreement, applied in a manner not inconsistent with said Articles and Bylaws.

Variance Power. All funds established at the Foundation are subject to the Foundation’s “variance power,” as set forth in its Bylaws. The variance power gives the Foundation the authority to modify any donor recommendation or condition on distributions from a fund for any specified charitable purpose or to any specified charitable organization. If in the sole discretion of the Foundation Board, the original purpose of a fund becomes impossible, incapable of fulfillment, undesirable, or inconsistent with the charitable needs of the community, the Foundation’s Board has the legal authority through its variance power to redirect the fund. This assures donors that their original intent will be honored despite changing circumstances. The Foundation shall promptly notify the Organization of any decision made to exercise the variance power. Notification of the exercise of variance power shall be delivered in writing to the last known address within 30 days following the Board’s decision. The Foundation shall also notify the Organization if it becomes aware of any other action instituted or proposed by any person to vary the purpose, uses or method of administration of the Fund.

Spending Policy. The Foundation anticipates distributions from each fund at least annually of an appropriate percentage of the fund’s market value, as determined by the Foundation’s Board of Directors. In determining the annual distribution amount, the Foundation’s Board of Directors may consider the expected total return on the investments of the Foundation’s permanent funds, the desirability of maintaining the value of the Foundation’s permanent funds, and any other factors that it deems relevant. For non endowed funds, the principal of the Fund may be distributed, granted, or expended until fully depleted, provided, however, that all such distributions, grants, or expenditures shall be to serve or promote the enhancement of the quality of life of the communities served by the Foundation and its charitable mission. No distribution shall be made from the Fund to any individual or entity if such distribution may in the judgment of the Foundation impair

or endanger the Foundation’s tax exempt status under Code Section 501(c)(3) or result in the imposition of any excise tax, penalty, or other tax, fine, or assessment under the Code.

Distributions. All distributions from funds are subject to the Foundation’s variance power and its spending policy, as noted above. The Foundation may in all cases make principal distributions from its funds in compliance with its spending policy.

Restrictions on Grants from Funds. The Fund shall be used for support of the charitable, scientific, or educational purposes of the Organization and any affiliated agencies.

Investment of Assets. Most funds held by the Foundation are pooled and invested according to the Foundation’s Investment Policy Statement. Even though fund assets are pooled, the Foundation separately accounts for each fund as to changes resulting from contributions, investment purchases and sales, and distributions (according to U.S. Treasury regulations). The Foundation Board of Directors maintains a volunteer Investment Committee that oversees investment policies, selects investment managers, and monitors asset allocations, risk parameters, diversification, and performance. The Foundation seeks, through its investment policy, to maintain or increase the real value of endowment principal, and consequently, its grant distributions, over the long term through a Total Return Investment Philosophy. Therefore, investment management may include strategies not subject to sudden shifts in interest rates or market value. Minimum fund contributions are required for investment of fund assets outside of the core portfolio. For more information about the requirements for using an outside investment manager, contact the Foundation.

Fees. Funds established at the Foundation are subject to administrative and investment fees. A schedule of fees is available upon request. The Foundation reserves the right to change its fee structure at anytime.

Solicitation Policy. Donors who wish to solicit contributions for a fund at the Foundation are required to use the following language in any solicitation:

“Funds raised at this event (or for this cause) will be added to the Organization Fund at the Lancaster County Community Foundation, a Section 501(c)(3) organization. All checks should be made payable to the Lancaster County Community Foundation/Organization Fund Name. Organizations are given a copy of the Community Foundation’s Donor Initiated Fund Raising Policy, which must be signed by an authorized representative prior to any Fund Raising events.

Conflict of Terms. In the event of an inconsistency between these terms and conditions, and any terms and conditions appearing elsewhere in connection with any fund, these terms and conditions as interpreted by the Foundation shall govern, and the Foundation reserves the right to take any actions at anytime which, in its discretion, it deems reasonably necessary or desirable for the proper administration of any fund or the Foundation.
