

Water Quality Impact - Clean Water Fund Lancaster County Community Foundation

Eligibility Questions

You're applying for a Water Quality Impact grant through the Clean Water Partners Fund.

These grants of \$10,000 - \$50,000 are intended to support large scale, high priority restoration projects that create a measurable impact on water quality. 1:1 matching funds are required for this grant program.

Application Questions

COMMUNITY MAPPING TOOL*

Clean water needs an efficient project implementation strategy.

Please visit the online watershed mapping tool. Using the mapping tool, please find the following information for your project:

Project Address

Watershed

Municipality

Community Mapping Score

The advisory committee will also be using the community mapping tool to determine the restoration opportunity of the region where your project is intended to go.

Character Limit: 5000

NEED*

Why is your project needed? Who will it impact?

Character Limit: 4000

VISION*

Please explain how your project contributes to Lancaster County's collective effort for clean water.

How does your project address the common agenda?
(<http://lancastercleanwaterpartners.com/foundation-progress/>)

How will your project demonstrate continuous communication?

Character Limit: 4000

TIMELINE AND IMPLEMENTATION PLAN*

Please create an outline of your project's schedule using phases. Please give the major milestones towards the project's completion using months. Include details about permitting (when applicable) and ongoing maintenance (after project completion).

Character Limit: 5000

PARTNERS*

Also list what partners you are collaborating with to implement this project. Use more space if necessary. Please describe how this partnership enhances the project or contributes to its success.

Character Limit: 5000

COMMUNITY CONNECTIONS*

How does your project address the "big ideas" of Places2040, the county's comprehensive plan:

1. Taking Care of What We Have
2. Creating Great Places
3. Thinking Beyond Boundaries
4. Growing Responsibly
5. Connecting People, Place, & Opportunity

You can see more about the big ideas beginning on page 22 of the Places2040 plan.

For more information on Places2040, visit <https://www.places2040.com/>.

Character Limit: 1000

MEASURABLE RESULTS*

How will you determine the success of the project? Overall, what does success look like when this project is completed? Briefly indicate how project performance will be monitored and measured.

Character Limit: 2000

MATCHING FUNDING*

Please share the source of your matching funds for this project. In order to receive this grant, a matching funds commitment is required by July 26.

Character Limit: 1000

Please fill in the following specifics *as applicable for your project*.

Length of streamside fencing:

Character Limit: 250

Length of stream restoration:

Character Limit: 250

Acres of wetland or floodplain restoration:

Character Limit: 250

Acres of buffers planted:

Character Limit: 250

Acres of easements secured:

Character Limit: 250

Number of trees planted:

Character Limit: 250

Number of volunteer hours anticipated:

Character Limit: 250

Type and number of stormwater BMP (basin retrofit, etc):

Character Limit: 250

Type and number of agriculture BMP (barnyard runoff, etc):

Character Limit: 250

Number of professionals trained:

Character Limit: 250

Other:

Character Limit: 250

Required Attachments

Completed applications include the following attachments. Please note that if you do not have access to a scanner, you can use the "Fax to File" tool on the left menu. This tool will convert a fax to a PDF document.

Board of directors roster*

Upload a current fiscal year board roster that contains at minimum the name and occupation of each member.

File Size Limit: 3 MB

Independent Audit or Financial Review*

Please upload your entire **audited or reviewed** financial statement, completed by an independent CPA firm, that was completed within 12 months of this application's due date. Please note that a compilation or an IRS Form 990 does not satisfy this requirement.

File Size Limit: 10 MB

Organizational Budget Overview - Current Fiscal Year*

Please upload an organizational budget that contains at least a simple breakdown of expected revenues and expenses.

File Size Limit: 3 MB

Project Budget Worksheet*

Please download this budget worksheet, fill it out, save it, and then upload it here.

The intention of the fund is to provide funding to support BMP implementation, resulting in complete on-the-ground project completion. Personnel costs cannot be reimbursed but may be provided for by match. Signage is required to be installed as part of the finished project (a template will be provided to grantees).

File Size Limit: 2 MB

Match commitment letter*

Please upload a letter from the organization's Executive Director, CEO, President, or Board President that details the source of matching funds for this project. The matching funds commitment must be secured by July 26, 2019.

File Size Limit: 1 MB

Land Owner Agreement Letter*

Please upload a letter of commitment from the landowner indicating their support of your project.

Please note: if the project includes on-farm BMP's, the farmer must have a conservation plan and manure management plan by the project completion date in 2020. This project can assist a farmer's efforts to achieve compliance by developing and implementing those plans.

File Size Limit: 3 MB

"Before" Picture #1*

Please upload a picture showing the land/area of your project, before your work has begun.

File Size Limit: 2 MB

"Before" Picture #2*

Please upload a picture showing the land/area of your project, before your work has begun.

File Size Limit: 2 MB

"Before" Picture #3*

Please upload a picture showing the land/area of your project, before your work has begun.

File Size Limit: 2 MB

Project Map

If you have a map showing the location of your project, please upload it.

File Size Limit: 2 MB

Electronic Signature

Are you interested in receiving feedback from staff prior to volunteer review?*

This option is only available for applications submitted by July 5, 2019 - three weeks or more before the final deadline.

Choices

No, this is my final submission.

Yes, it's at least three weeks from the deadline and I would like staff feedback.

Note to applicants seeking staff feedback: Staff will review and provide feedback on draft applications submitted through this system by July 5, 2019. Application drafts saved but not submitted will NOT be considered for feedback.

On or before July 19, 2019, we'll return your application to "draft" status. You can make any revisions and then re-submit by the final deadline, July 26, 2019.
